**PROFILE:**

Mr. Tividor is a Digital Analyst at QMS Media, where he develops data-driven tools to monitor over 600+ digital assets nationwide and leads system migrations to enhance operational efficiency. He is currently pursuing a Master's in Software Engineering at the University of Sydney, strengthening his technical expertise in software development and analytics. Previously, he worked at Compass Group Asset Management, where he held roles in Private Banking and Risk Supervision, contributing to investment strategy refinement and the integration of data science into portfolio management.

**PROFESSIONAL EXPERIENCE:**

QMS Media, Digital Analyst

Digital Analyst. (07/2023 – Current)

- Developed and deployed a custom web-based monitoring tool that enables real-time tracking of over 600+ digital assets across Australia, significantly improving fault detection and response times.
- Lead the migration of operating systems from Windows to Linux across all company digital players, enhancing system performance, security, and maintainability.
- Oversee the digital Large Format asset network nationwide, ensuring optimal uptime and performance.
- Coordinate and execute LCM screen repairs to ensure uninterrupted operation of the high-traffic City of Sydney Out-of-Home network.

Compass Group, Asset Management & Private Wealth

Private Banking Analyst. (12/2021 – 6/2022)

- Supported the growth and retention of high-net-worth clients in Colombia's Private Wealth Management division through tailored financial strategies and relationship management.

Risk Supervisor – Asset Management Division (10/2016 – 12/2021)

- Oversaw risk management for investment portfolios totaling over \$5 billion in Assets Under Management (AUM), ensuring compliance and performance across diverse asset classes.
- Designed and implemented the core structure of the division's centralized investment database, enabling the integration of data science methodologies into portfolio analysis and decision-making.

**EDUCATION:**

- Master's Degree in Software Engineering (02/2023 – Current)  
University of Sydney, Sydney.
- Bachelor's degree in finance (01/2012 – 09/2017)  
Externado University, Bogotá D.C.

**OTHER:**

- Languages: Spanish and English
